

Derrick Thomas Scholarship

“The ability to read is one of the greatest victories life has to offer. Books help kids make positive life decisions. I want to help get books in the hands of all kids”. ...Derrick Thomas

Dear Counselor/Applicant,

The Derrick Thomas/ Neil Smith Third and Long Foundation would like to announce the:

Derrick Thomas Scholarship for the academic year of 2020-2021.

Derrick Thomas' dream was to sack illiteracy among our youth. He knew that teaching children to read would help them avoid the societal issues of poverty, unemployment and poor health that develops out of being an illiterate adult. The Third and Long Foundation strives to keep his dream alive by changing the lives of children facing challenging and even life threatening situations. Through social, cultural and educational activities and programs, the Third and Long Foundation helps participating children succeed in school and in an outside world possessing seemingly insurmountable obstacles.

The goal of our scholarship is to encourage and assist youth to acquire the skills needed to compete in the 21st century through higher education. Students who are pursuing post-secondary education on a full-time basis from an accredited institution are invited to apply.

Included with this letter are the guidelines for the scholarship, the application, and key dates. The scholarship and application must be submitted/postmarked to the Derrick Thomas/Neil Smith Third and Long Foundation, **no later than May 15, 2020.**

We appreciate your participation and assistance.
